Superfund/RCRA Procurement Operation Division  
Ariel Rios Building  
1200 Pennsylvania Avenue, NW (3805R)  
Washington, DC 20460  
ATTN: Michelle L. Barrett, Contracting Officer

**CONTRACTOR**

Scott Health and Safety  
Monroe Corporate Center  
P.O. Box 569  
Monroe, NC 28111  
ATTN: Gale H. Brown

**1. Description of Agreement:**

The contractor shall furnish and deliver the equipment and supplies associated with EPA's Emergency Response Program (Category 1 - Personal Protective Equipment) on an as required basis from the above effective date through April 27, 2007. Orders will be placed for specific requirements by authorized Government personnel or contractor's specified authorized to do so by the Contracting Officer. Prices for all requirements are outlined below and shall remain in effect throughout the term of this agreement.

**2. Description of Supplies/Services:**

Purchase of Self Contained Breathing Apparatus (SCBA), Powered Air Purified Respirator (PAPR) and Air Purifying Respirator (APR) equipment and accessory items on an as required basis.

**3. Extent of Obligation:**

The Government is not obligated to order any equipment or supplies under this Agreement. The Government is obligated only to the extent of authorized call orders placed against this Blanket Purchase Agreement (BPA). The Government reserves the right to award contracts or agreements to other sources for like equipment or supplies during the same delivery period as this Agreement.

**4. a. Purchase Limitation:**

Any call order placed under this Agreement shall not exceed the limit of the Ordering Officer's authority as specified herein. The total amount of call orders placed against this Agreement shall not exceed \$5,000,000 throughout effective date of this Agreement.

**b. Limitation of Funds:**

The contractor shall notify the Contracting Officer in writing whenever it has reason to believe that the next call order placed against the BPA will exceed 75% of the total "not to exceed amount" listed in paragraph 4(a) of the BPA entitled "Purchase Limitations."

**5. Pricing Compliance:**

The contractor agrees that any call order placed under this Agreement will be given the following price discounts:

Initial Order:

- a. An \$800.00 trade in credit for each of the existing 300 (approximately) MSA Air Paks (including 150 Mask Mounted Regulators (MMRs) less than two years old). The contractor's designates Shur Sales Marketing will arrange pick up of the Trade in SCBAs.
- b. Each of the 344 SCBAs in the initial order will be upgraded in the field to meet the new Chemical Biological Radiological Nuclear (CBRN) standard at no additional charge to EPA.
- c. Each of the 344 SCBAs in the initial order will be upgraded in the field with the new HUD (Heads up display) at no additional charge to EPA.
- d. 344 AV3000s and communication adapters will be provided at no charge when they are available (within 6 months).

e. Scott Health and Safety will ship all products on the initial order to the Shur Sales and Marketing warehouse in Denver, CO, where a function test and post test will be performed on each SCBA/PAPR prior to their shipment to EPA locations. EPA will incur no shipping costs associated with these tests.

**Recurring Orders:**

f. Scott Health and Safety will offer to EPA an additional 2% discount on all items on the contractor's GSA pricing schedule (the GSA schedule is discounted at 33% off the printed price list). Exceptions are Eagle I and Eagle II cameras and parts, which are offered at 20% discount from Scott Health and Safety's printed price list. Test equipment is offered at no additional discount.

- Example:**
- 1) Part No. 804848-03 - Air-Pak Fifty 4.5, 60 min., Carbon Cylinder w/Quick Connect, w/Case, Scott Health and Safety List Price \$3,417.00;
  - 2) Less GSA Schedule Discount of 33% = GSA Schedule Price of \$2,289.39;
  - 3) GSA Schedule Price is further discounted to EPA under this BPA by an additional 2%, therefore EPA Price = \$2,243.60.

**Note:** The pricing discounts are outlined in the contractor's offer dated September 13, 2002, incorporated herein and made a part of the Agreement.

**6. Ordering Procedures and Limitations:**

a. Call orders shall be the method for ordering under this Agreement. All call orders placed with the contractor under this Agreement must be made only by authorized personnel. Attachment 1 to this Agreement outlines those personnel who have been granted authority to place orders and commit government funds. Shipping instructions will be specified with each call order.

b. Any call order placed by individuals other than those authorized callers outlined in Attachment 1 will be considered as an unauthorized procurement and the unauthorized caller may be liable for the cost of the equipment/supplies provided. The contractor is advised and cautioned to accept call orders only from the authorized call ordering officials outlined in Attachment 1.

**7. Performance and Delivery:**

- a. All equipment and services requested under this Agreement shall be delivered to the address as specified by each individual call order.
- b. All deliveries shall be made within the time agreed upon by the contractor and the authorized caller when the call order is placed.
- c. Delivery of all items under this Agreement shall be shipped F.O.B. Destination and shall be shipped "all transportation prepaid."

**8. Delivery Tickets:**

All shipments under this Agreement shall be accompanied by a signed delivery ticket or sales slip which contains the following required information:

- a. Name of contractor
- b. Blanket Purchase Agreement (BPA) number: B2-3712-NBLX
- c. Date of call order
- d. Description of equipment/supplies furnished
- e. Quantity, unit price and extension of each line item less applicable discounts
- f. Date of delivery or shipment

**9. Invoices:**

The contractor shall invoice on an as incurred basis. Each invoice shall be based on a the delivery tickets and invoices for the month. Invoices shall include all deliveries made during the billing period for which payment has not been received. Invoices shall be submitted to the following address:

Environmental Protection Agency  
HQ Financial Service Division  
Mail Code: 2734R  
1200 Pennsylvania Ave.  
Washington, DC 20460

**10. Applicability of Federal Supply Schedule (FSS):**

The contractor's FSS is applicable to this Agreement. This FSS is effective from April 27, 2002 through April 27, 2007.

**11. Applicable Clause:**

The following clause is incorporated by reference and shall have the same force and effect as if given in full text:

52.213-1 - Fast Payment Procedures (FEB 1998)

To obtain electronic access to the full text clause, the contractor is encouraged to go to [http:// www.arnet.gov/far/](http://www.arnet.gov/far/) and click on the Federal Acquisition Regulation (FAR) link.
